*Marmúranme porque canto  
e eu se canto fago ben(bis),  
mentras que canto non choro  
nin fago mal de ninguén.*

*Marmurai, marmuradores  
marmurai e non de min  
eu nunca fun marmurado  
senón da xente ruín.*

*Indo por aquí abaxo  
camiño de Santa Marta (bis),  
buscando quen diga ben  
que quen diga mal non falta.*

*Retrouso.*

*Anque de min digan, digan  
anque de min digan ben (bis),  
anque de min digan, digan  
eu non digo de ninguén.*

*Retrouso.*
